Hong Kong | 5yrs experience

Hi! Good day! Sir/Ma'am,

I am Regine , 32 years old. You can call me Gen for short. I was graduated BS in Information Technology at Bukidnon State University in 2013. I live in Kapalong, Davao del Norte. I am single, no kids and were siblings of the family which is I'm the eldest.

My previous work/experience. I've become a cashier to a certain mall of the Philippines before I decided to go abroad and worked as a domestic helper in Saudi Arabia in 2016. I've worked there almost 4 years. My duties assigned were to take care 3 teenager, 1 children and the mother but sometimes the grandmother from Turkey after surgery she went back to Saudi for recovery but not quite long. Most of time, I do house chores, prepared their snacks/meals and do office works when my employer travelled to other country so I do inventory and if we have events/exhibitions since she was a Abaya designer so I go with her to travel to Riyadh. We sell her designs. She trusted me all things at home and important things, her kids to me.

I work here in Hong Kong in 2 Japanese families. I do housechores, tidy and clean everything, sanitize everything since it's covid. Pick up kids from school bus and send her to other activities. I don't cook nor do market. I just assist them to prepare the meal and cooking.

I am now looking for a new employer because my employer go back to Japan. I can do tutoring, playing with the kids, and wanted to learn how to cook Japanese foods. I really love kids and dogs. I can assure you that you can rely on me and trust me. I will do my best to provide your expectation if ever you hire me.

Thank you and God Bless you!
