Hi Sir/Madam,

I am Rodelyn and I am 36 years old. You can call me Lyn. I am looking for new employer because I am about to finish my contract.

I am from Bukudnon Philippines. I am widow already for about 2 years and I have 3 kids. 17 years old boy, 11 years old boy and 4 years old girl. That's why I am looking for work to support their education and needs.

My current employer is a Chinese family of 5. 2 adults and 3 kids, 8 years old twins boy and girl and a 6 years old girl. My daily tasks are waking up at 6am in the morning to prepare their breakfast, water bottle and snacks box and then I go with my boss to send them to school. When I come back, I eat breakfast and start on the house cleaning, cook lunch for my employer because they are not working. I can cook my boss favorite food like deep fry chicken wings, grilled whole chicken and salmon. For the kids, I cook them spaghetti in both tomato and white sauce.

I do also car washing, cleaning the cage of the turtle. Sometimes, I go to wet market to buy some fresh fish and vegetables and also bring the kids to their lesson after school.

I am looking for a new employer who has a newborn baby or bigger kids. Because I love taking care of them and also willing to try another job if incase.

Thank you and good day.
