Sir/Madam,

I am Gretchen, 38 years old. You can call me Gretch or Chen for short.

I am from province of Northern Samar in the Philippines. I am single. My purpose of working here is to have savings, help my parents.

My current employer is a Hong Kong family of 3, the parents and the newborn baby. I wake up at 6:00am to prepare the breakfast of the parents and milk of the baby. After that I tidy up the clothes and prepare the playmat and the things to use to change the diaper. After change diaper if he's awake put him back on his bed to drink he's milk and while he's drinking clean and vacuum the place. After that play for a while until he's grandparents arrived. When grandparents already in the house, I will continue the household works. I just go to them to give he's food and snack. I usually go to bed around 9:00pm.

I have previous experiences in Saudi and here in Hong Kong, in Saudi have 2 kids and here in HK 5 members adults.

I'm looking for an employer w/ a newborn baby since I love taking care of them. My strong point as a helper is I can communicate well w/ my employer. I am also willing to learn more as per employer's request.

If you hire me, I can assure you that I will take good care of your family and you can trust me.
