JONATHAN

Filipino | Married | 52 years old | 2 kids
Hong Kong | 10yrs experience

I'm Jonathan, 52 years old and I'm college university graduate in B.S. Information Technology. I'm from Cagayan Valley in Phils and married with 2 kids 20 years old and 18 years old.

I'm looking for new employer due to I'm almost finished my contract on April 26, 2024.

I have 6 years working experiences now in Hong Kong as domestic driver with 3 different employers.

I use to drive Alphards, Benz, Audi & Tesla cars with my driving work for my 3 employers. I used to drive them as main daily routine of going to school for the kids and other activities outside school like Kumon. Likewise I drive also my employers if needed and helpers for marketing.

I'm very much confident to myself and if you hire me I assure to myself that I will do my job well and take care.

Thank you and best looking forward for your response.
