Hello , my name is rhona "nhana" i am the third of our sibling and only daughter in our family 35 yrs of aged married and blessed with daughter who is aged is 14. My current employer is Hongkonese family of 3 which consist of husband, wife and a toddler. I wake up at around 7-8 am with the toddler. The first thing I do is to wash his face brush his teeth change his clothes for school and feed him breakfast. Send him to school bus stop and pick him up too. After that while the toddler is away for 2hrs I clean up myself and start cleaning up the house go to the wet market, prepare and cook lunch for maam and toddler (my maam sometimes stay home). After coming back from school I help him bath prepare his toys and feed him lunch. After lunch I help him sleep for 2-3 hrs and while he's asleep I continue to do my work. During the afternoon nap of the toddler I simply prepare what I need for my employer's dinner which I cook 3-4 dishes for both of them and keep for awhile. When the baby is awake from afternoon nap i will feed him snacks and get ready to go out for playdates or playroom 1-2hrs. At 6pm we will return from playgroups shower the toddler, cook for his dinner and feed him first around 7 . After his dinner i will now continue to prepare again and cook for my employers dinner until they arrive around 7:30 . After that i will clean up everything and get ready to shower around 9:30 pm and sleep with the toddler.

Aside from that I have previous experience working with a German and Taiwanese Family with 1 kid and a dog. I'm a God fearing, self motivated, initiative, knows how to work independently, follow the instruction, thrustworthy, honest ,patience, motivated and a tame person. I have experienced looking after of aged person, youth ages, dogs, household chores, some ideas of gardening, toddlers , marketing , shopping, and good at cooking.

I hope to find a long term employer in the future. Thank you!
