Hello Sir/ma'am

My name is Karren, 32 years old. I am married and have 2 sons and 1 daughter. I am now looking for a new employer because I am going to finish my contract with my current employer.

I am an easy-going person, hard working to provide my family's needs in the Philippines. I work without supervision. I can follow instructions and I love cooking; I can cook and follow the menu whatever it is. If you hire me, I can assure you that I can take good care of your family. Thank you and God bless you!
