Hi Sir/Madam,

I am Jocelyn, 48years old. You can call me Joyce in short.

I am now looking for a new employer because my employer will be for good in japan. (relocation)
I am from Villasis Pangasinan in the Philippines. My hometown is known as the 100 hundred Island.

My purpose of working here is to provide my family in the Philippines. I want to give a good education opportunities for my son.

MY Current employer is a Japanese family of 3 the parents and a son. I wake up 6am to prepare breakfast for the family, and send the kid to the school. After that I do the groceries while on the way home. My employer like fresh groceries everyday. When I reach home, I tidy up and clean the house. I Then pick up the kid in the afternoon from the school. I give him snack and juice or milk . After he eat the snack we go out and we play outside or sometimes we play inside the house.

When it's almost dinner, I prepare all the ingredients I usually cook to dishes and 1 soup. After dinner, I clean up the kitchen and the rest of the house. After that I go to take a bath. and usually I go to bed around 9pm.

I also have previous experience with another Japanese and Chinese family with 2 kids and a newborn baby.

I am looking for an employer with a new born baby since I love taking care of them.

My strong point as a helper is I can I can communicate will with my employer. And I can manage my time well. And I'm also willing to learn more as per my employer's request.

If you hire me I can assure you that I will take care of your family and you can trust me.

I am looking forward to seeing you soon. Thanks and God bless!
