Hello, sir or ma'am,

My name is Joan, and I am 35 years old. I am a single mother with a 16-year-old daughter. I am now in Hong Kong, and my current employment contract expires on October 5, 2024, so I am currently looking for a new employer.

I have worked as a domestic helper in Hong Kong for over 2 years. Before that, I was working in the Middle East and Singapore as well. So, during this time, I have gained a lot of experience in managing household tasks.

My main duties included cleaning the house, doing laundry, cooking meals, caring for a pet, and taking care of children. I also ran errands and did the marketing and grocery shopping.

I am known for being reliable, detail-oriented, and good at solving problems. I work hard and always try to do my best. Aside from that, I can easily adjust to different household routines and requirements.

Based on my previous experiences, people trust me because I am honest and keep things confidential. I always approach my tasks with a positive attitude and respect the different cultural backgrounds of the families I work with.

Currently, I am looking for a new job where I can continue to use my skills and experience to help a family maintain a happy and well-managed home.
