Hello, I'm Jonaly a Filipino, married and have 2 kids ages 12 and 20 yrs old boys respectively. Im from Sisim Penablanca Cagayan Valley Philippines. I finished my Degree Course in College. I'm currently employing with Australian Family of 3 and 1 4 yrs old boy. I will finish my contract on November 9, 2024 for 2 yrs only. My daily routine is to wake up at 6 am, prepare breakfast for 3 adults and 1 kid, Taking the kid to morning school before 9 am, I go to market and groceries to buy for the lunch, dinner and the following morning breakfast. At 10:30 Am I will prepare the lunch for everyone, then I packed the lunch for the kid with me and pick him up at 11 am, After then I have to go back to the house and do household chores until 4 Pm. I will not pick him anymore after his afternoon school because i dont have enough time to prepare for dinner. So my employer decide her husband will do the picking up of the kid but sometimes i do it specially for conflict schedule of my employer husband. I prepare food for dinner and serves before 7 PM. at 7 PM to 8 PM dinner time for the kid and i will assist in taking a shower and change his sleeping clothes ready for the bed. Im assisting him on his homework if my employer are busy. Most of the days during school holidays, im taking the kid to playgroup and other extra activities.

I want to look for a new employer which I will be more happy working with them for more longer years.

My previous employer here on Hong Kong are Hongkongese of 4 family members 2 adults and 2 Boys ages 4 and 9 years old. I worked with them for 3 years and 8 months only due to Financial reason of my employer.

I also have a new born baby experience with a Bristish family of 5, 2 adults, 2 children ages 10 years old girl and 12 years old Boy and the new born baby in UAE for 2 years. I'm taking care of the new born baby, following the feeding time, change diapers and bathing, putting him to sleep, and do household chores

I wish I could find an employer with kids or new born baby In which I could love and enjoy doing my work. I love kids and I'm very patience in handling kids tantrums. I'm a self motivated person, trustworthy, honest and hardworking. I know myself I could definitely serve you family with full of enthusiasm in my heart. I wish for the family to treat me like their own family and we will be working together harmoniously.

Thank you and God bless always.
