Have a good day Sir & Madam,

I am Janefry Dialimas, 37 yrs old you can call me Jhen for short.
I am looking for a new employer since my contract will end soon.

I am from Cebu Philippines. I have two sons ages 14 & 16 yrs old. They are now living alone in rented home in Manila after their father passed away a month ago. So I'm alone who supports my kids' needs. I really need a job. I don't want one of them to stop from studies. I want to do all I can just to survive for my two sons.

My current employer is a local Chinese family with 3 members, a working couple and one 10-year-old girl. I'm taking care of the family in the morning, making and preparing breakfast for the kid, dropping and picking her from school, cleaning, cooking, marketing, and ironing, bringing her to other extra activities every day. I play with her and cook her favorite and like foods for snacks.

I have my previous employer with 4 members, a working couple and two children, a 4-year-old boy & an 8-year-old girl. I'm 4 years with them, finished my contract. My ma'am lost her job due to the pandemic so she didn't renew my 3rd contract since the kids are already 8 & 12 years old before I left. My duties to them were taking care of the kids, helping them with showers, changing clothes, preparing healthy and delicious food, sending and dropping to school bus, and bringing them to extra activities. Cooking, cleaning, marketing, ironing, playing with them, reading books.

If you hire me, ma'am & sir, I can assure you that I will give my respect, trust, love, dedication, and hard work to take care of your family. I am honest, hardworking, a happy woman, I can work without supervision, I will follow and respect my employer with all my heart, I'm a God-fearing, cheerful, sweet, and kind person and I love kids. I will treat your kids as my own, I will give love and attention.

I am looking forward to seeing you soon. "God Bless"
