LALA

Filipino | Christian | Widowed | 45 years old | 3 kids
Hong Kong | 8yrs experience

My name is Lala , 45yrs old Filipina. I came from the northern part of the Philippines. I am a widow with 3 lovely children. My first experience in working overseas is in Singapore. I worked there for 10yrs with 1 employer. My main duty is to take of a grandma and do house chores such as cleaning, cooking, marketing. In order to do my job properly, I took up a nursing aid course in Singapore with certificate. When the grandma passed away I went back home until I got a job here in Hong Kong.

My first employer here has 2 children (7 & 9). I work with them for 5yrs until they went back to China due to covid. Then I found my previous employer (96yrs old grandma). I work for her for 3yrs and 8months. We are only 2 people at home so I do everything. House chores and taking care of my employer.

I love to cook and happy to learn new recipes. I am a happy person,patient and independent. I treat the people around me like a family because that's what I want to get from them as well. I am not perfect so as other people so I don't expect them to be but I am open for both parties to have a good communication so as to avoid misunderstanding. I want a relax working environment. I am working hard for my children and my parents.
