I am Lushan from Srilanka. I got a married with Hong Konese so I am a resident. First time I came to Hong Kong was 2019 as a helper. I am a caregiver, taking care of elderly. I had an driving licence of my country and I took Hong Kong licence as well.

My driving experience in Hong Kong is about 2 yrs with the family. I resigned as my boss prefeere a helper with driving duties not a local driver. (MPF and other documents matter)

I am looking for an employer who is willing to hire a local driver. Hope you give me a chance to interview with me. Thanks
