ANGELICA

Filipino | Christian | Single | 37 years old | 1 kids
Hong Kong | 5yrs experience

My name is angelica from the Philippines. I have a daughter age 14 and I'm a single parent. We still live in my parents house with younger sister.my 2 brothers already have their own family.

I decided to go to Qatar in December 2018 because of a reason that I want a make my daughters future secure.

My work there is taking care of 4 kids but specially taking care of a special child in my free time I clean the house, wash clothes, ironing and clean the car but I didn't cook I only prepare the ingredients I'm not allowed to cook.

That's my routine for 3 years and 10 months till I decided to go back home .

After 1 year of resting I decided to work here in hongkong. My duties are cleaning the house, wash clothes, ironing, wash car , walk the dog and also cooking although I'm not good cooking chinese food but trying my best and follow videos.

But after 1 year my boss told me that I needed to find another employer due to she got fired and cannot pay my service anymore how I wishi could finish it but maybe god has another plan.

In my another employer if you will accept me I will do my best in the job description that you are looking.

And I will love and respect your family with all my heart.

And thank you.
