Long Term

I'm Joy,42 years old presently working here in Hongkong.I am separated with 2 daughters ages 19 and 10 years old.I am the eldest daughter, I have 3 siblings 1girl currently working here in Hongkong too,I have 2 brothers 1 is working at Manila as Family driver,and my other brother is in Saudi Arabia as production Technician.I came from northern part of Luzon.I decided to come to work here in Hongkong because of high salary offer.As single mom who has 2 children my salary in Philippines is not enough to sustain the needs of my children as they grow especially now my eldest daughter started her first year at the University and my youngest daughter also is studying at private school in Elementary.

I've been to 3 countries.

First in Singapore as helper to a family of 3(18months old girl),I do Cleaning, laundry,ironing,carwashing,marketing and gardening.

In Kuwait I took care of 80 years old healthy elderly,I bath for her and cook her 3 meals everyday.I do cleaning,cooking,laundry,ironing and monitor her blood pressure and blood sugar count.

In Hongkong my first employer was in midlevels.I serve 5people (kids ages 7,5,2 all boys)but we are 4helpers and 2 drivers.My duties and responsibilities is mainly to sir and mam but I'm also a back up for other helpers when they are on holiday.I do cleaning at master bedroom and toilet,maintaining the cleanliness of madam dry kitchen,cleaning the big leaving room,assisting the chef during dinner and cleaning of wet kitchen.I do marketing as well,restocking of stocks,maintaining the cleanliness of the garden Coz we have gardener once a week.During dinner I'm the one in charge in serving their food.And when there are guest athome I'm the one incharge of serving and sommelier as well when they throw party athome.I cook lunch for the kids everyday.when the kids nanny is on holiday I help them sent to school and pick them up,assist them at their outside activities.I help them bath,feed them,play with them,read books with them,help them with their homework.

At my present employer they are family of 4.I took care of newborn baby boy and 18months old girl.We are 2 helper here but most of the time I'm in charge with the kids because they like me more than my co helper.I do marketing cleaning,carwashing,cooking,ironing and laundry.For the kids I bath them,help them eat,playing with them,singing nursery rhymes, reading books with them.I bring them too to their outside activities.

I hope my new employer are good they will treat me as their part of their family .

I'm hardworking, patient, trustworthy amiable person.

I like cooking,reading books,hiking,island hoping when the weather is good,gardening and baking.

Hoping to find my employer soon.
